How it works

Powered by KEV Group, SchoolCash Online is the industry leader in the safe and secure management of school fees. This system puts all

of the school-related fees for your student online for purchase. Schools post their items and activities and assign the relevant fees to your student, so you can then make purchases online using your credit card. This allows you to stay informed about upcoming school activities while keeping track of the school fees that require your attention.

Thank you for your support!
